

EYOBED DEMISSIE

Full-Stack Software Engineer · Frontend & Mobile

Addis Ababa, Ethiopia • eyobedteshome@gmail.com • github.com/Eyobed9 • linkedin.com/in/eyobed-d

PROFESSIONAL SUMMARY

Full-stack software engineer with professional contract and internship experience and strong foundations in algorithms, data structures, software design, debugging, and testing. Builds responsive, component-driven interfaces in React, Next.js, and TypeScript, and backs them with Python, Django, Nest.js, PHP, and relational databases. Cross-platform mobile work in Flutter. Completing a BSc in Computer Software Engineering (expected 2027) while shipping production features in Git-based teams.

PROFESSIONAL EXPERIENCE

Frontend Developer Intern

IDATA Technologies · Addis Ababa, Ethiopia | Apr 2026 – Aug 2026

- Develop responsive, component-based web applications using React, Next.js, and TypeScript following clean architecture principles.
- Debug production issues, optimize performance, and improve code correctness, maintainability, and readability.
- Participate in Git-based collaborative development, code reviews, and technical discussions to maintain high engineering standards.
- Translate product requirements into reusable, scalable, and accessible components.
- Contribute to UI/UX design decisions, wireframing, and visual refinement of client-facing interfaces.

Full-Stack Web Developer

TenaLink · Addis Ababa, Ethiopia · Remote, Contract | Dec 2025 – Present

- Deliver both front-end interfaces and back-end web services across client projects under an ongoing remote contract.
- Work across the stack, from component-driven UI through server-side logic and data models.
- Coordinate asynchronously with a distributed team, owning scope and delivery for assigned work.
- Contribute to UI/UX design, creating intuitive interfaces and user flows for client products.

SELECTED PROJECTS

Yaayyoo Woreda Government Portal

Next.js • TypeScript • Tailwind CSS | yayo.pro.et

- Official portal for the Yaayyoo Woreda administration covering public services, news, investment, and tourism. Built at IDATA Technologies.

Ethiopian Volleyball Federation Management System

React • TypeScript • REST APIs

- Federation administration platform handling team and athlete registration, tournament scheduling, and match coordination. Built at IDATA Technologies.

Oromia Smart Agriculture Platform

React • TypeScript • Data Visualization

- Agricultural big data platform built with Ethio Telecom and the Agricultural Transformation Institute. Built at IDATA Technologies.

BAS Digital Health

Next.js • TypeScript • Tailwind CSS | basdigitalhealth.vercel.app

- Portfolio, blog, and appointment booking platform for the CEO of TenaLink, featuring service highlights, content publishing, and integrated scheduling.

EtCom: Ethiopian E-Commerce Platform

Next.js • JavaScript • Tailwind CSS | github.com/Eyobed9/EtCom

- Built a responsive storefront with product listings, shopping cart, and checkout, adapted for the local market.

EDUCATION

B.Sc. Computer Software Engineering

Addis Ababa Science & Technology University | May 2022 – Expected 2027

Relevant coursework: Algorithms & Data Structures, Database Systems, Software Engineering, Web Development, Object-Oriented Programming, System Analysis.

B.A. Pastoral Leadership

Hanania Theological College | Feb 2024 – Jan 2026

Coursework in Biblical Studies, Theology, Pastoral Care & Counseling, Church Leadership & Administration, Christian Ethics, Leadership Development, and Missiology.

TECHNICAL SKILLS

Frontend: JavaScript, TypeScript, React, Next.js, Tailwind CSS, Bootstrap, HTML, CSS

Backend: Python, Django, Nest.js, PHP, SQL, MySQL, PostgreSQL, SQLite, REST APIs

Mobile: Flutter, Dart

DevOps: Docker, CI/CD

Languages: Python, JavaScript/TypeScript, PHP, SQL, Java, C++

Testing & Tools: Jest, PyTest, Git, GitHub, Figma, Vercel, Networking, System Engineering

Practices: Clean architecture, code review, responsive design, accessibility, debugging

Soft Skills: Collaboration & Teamwork, Communication, Adaptability, Attention to Detail, Self-Motivation, Project Planning & Organization, Problem-Solving & Critical Thinking, Time Management
